🗨 OBJECTIVE

To obtain a position in Web Development that will allow me to demonstrate the skills I have obtained and to creatively contribute to the organization to the best of my ability.

📁 EXPERIENCE

Front End Developer | VISUAL ID

2015 - 2016

Responsible for the design & maintenance of all client sides of the VisualID system.

1. Creating and maintaining Doddle, a redesign of the Visual ID system.
2. Redesign of the system artwork tool used by 4,200 customers along with other system components.
3. Design, maintenance & security of the Visual ID & Doddle Wordpress sites.
4. Ensuring the Visual ID system & Doddle are browser compatible and responsive.
5. Updating the Visual ID system (30,000 lines of code) from Bootstrap 2 to 3 which are not backwards compatible.

Project Manager | DODDLE

2015 - 2016

Managing a team of six consisting of developers and client executives.

1. Scheduling & chairing regular Scrum meetings, keeping minutes and adhering to the critical path.
2. Delegating tasks, creating and closing Scrum sprints using Jira.
3. Interfacing with partners, external designers and making Doddle presentations.
4. Collaborating on business plan, marketing plan, reseller plan & targetting resellers.
5. I was also Front End Developer & UX/UI Designer on this project.

Senior Sales Assistant | CHURCHTOWN STORES

2006 - 2015

Customer interaction, end of day cash count, mixing paint, cutting keys & ordering stock.

System Tester | UPSTREAM DIGITAL

2013

Working in a team of 10 performing cross platform usability testing using Jira.

General Manager | ASHLEAF HARDWARE

2011

Managing staff, stock take, banking, deliveries, ordering stock and customer interaction.

🎓 EDUCATION

Multimedia Programming/Web Engineering | INSTITUTE OF ART, DESIGN & TECHNOLOGY

2012 - 2015

Web Design | DUBLIN BUSINESS SCHOOL

2011

Civil Engineering | DUBLIN INSTITUTE OF TECHNOLOGY

2009 - 2011
